

## **RESOLUTION TO ESTABLISH A NEW, FULLY INDEPENDENT INVESTIGATION OF THE EVENTS OF SEPTEMBER 11, 2001**

**Whereas,** the 9/11 Commissioners admitted to having been lied to by NORAD and stonewalled by the White House, and the National Institute of Standards and Technology ignored ample evidence of explosives in the World Trade Center dust;

**Be it resolved, therefore,** that the CDP calls for the establishment of a truly independent Grand Jury and public investigation, with subpoena power and the power to grant immunity, into these and other anomalies in order to find the truth of the September 11, 2001, attacks so that we can, as President Obama said, "restore science to its rightful place" and restore transparency and confidence in our institutions through legal accountability, thereby honoring the American ideal that "no one is above the law," so that we have a greater probability of preventing attacks of this nature in the future, along with the resulting wars and loss of liberty.
